AT THE NAVAL AIR ENGINEERING STATION, LAKEHURST, NJ

Enclosures: (1) Cherokee 8a Group Questionnaire

Gentlemen,

Enclosure (1) is provided for your information and records. I would also like to take this opportunity to commend you on your outstanding performance under the subject contract. Even faced with an extremely short performance period, you managed to provide us with a quality product, on time, and within budget. The personal attention of Mr. Manuel Cotelo and Mr. James Conway was greatly appreciated and directly contributed to the complete satisfaction of the client. It was my pleasure to work with both of these men. As problems arose, they ensured timely communications and often exceeded the specifications to provide us with only the highest quality end product on time. Thank you for your outstanding service under the subject contract and I look forward to working with you in the future. If you have any questions or concerns please feel free to contact me at (732) 323-5266 or by email at [dequennedc@efane.navfac.navy.mil](mailto:dequennedc@efane.navfac.navy.mil).
